

# Alice Chen

alice.chen@email.com | +1-555-0101

## PROFESSIONAL SUMMARY

Senior Data Scientist with 6 years of experience in machine learning, deep learning, and statistical modeling. Expert in Python, TensorFlow, and cloud platforms.

## SKILLS

Python, R, SQL, TensorFlow, PyTorch, Scikit-learn, Pandas, NumPy, AWS SageMaker, Spark, Docker, Git, Tableau, A/B Testing, NLP, Computer Vision

## EXPERIENCE

Senior Data Scientist | Google | 2021-Present

- Built recommendation system improving user engagement by 23%
- Led team of 4 data scientists on NLP project
- Deployed ML models serving 10M+ daily predictions

Data Scientist | Amazon | 2018-2021

- Developed demand forecasting models reducing inventory costs by \$2M
- Created customer segmentation using clustering algorithms
- Built real-time fraud detection system with 99.2% accuracy

## EDUCATION

Ph.D. in Computer Science, Stanford University

M.S. Statistics, UC Berkeley
